Valores para a vida.

BANCO MILLENNIUM ATLANTICO

ADVANTAGES WE HAVE TO OFFER

- Partnership with a renowned service provider in claims handling, allowing for a quick resolution of claims and thus ensuring a high level of service;
- Claim follow-up during the entire assistance and recovery process;
- Service of excellence, with response to Customers within a maximum of 24 hours;
- Process of issuing the Contract and the Certificate of Insurance made on the spot with speed, agility, and security.

FORTALEZA Seguros works so that your achievements can always be by your side. Not only today, but also in the future. Through a close relationship with our customers, we provide the ideal solutions for you and your achievements. Because your employees are your greatest allies, we want to ensure that they have the right protection.

Talk to **ATLANTICO** about the **Accident at Work Insurance from FORTALEZA Seguros**.

GET TO KNOW THE QUALITY OF OUR CLAIM HANDLING SERVICES

In case of an accident, we have a complete and personalized service always at your disposal:

- Personalized service capable of promoting fast service, referral and medical assistance;
- In-service assistance;
- Protocol with the most efficient healthcare institutions.

YOUR NEEDS ARE OUR PRIORITIES

When it comes to protection, please do not hesitate to share your needs and concerns with us.

Besides ensuring the treatment expenses arising from a possible accident, the FORTALEZA Insurance also covers for the financial compensation that you may receive as a result of a work activity interruption.

On the daily commute to work and in the performance of your employees' duties, rest assured that your protection needs are safe with us.
